

PUBLIC NOTICE

Topic: Proposed tonnage increase for Waste Management's Richland Landfill Inc. Municipal Solid Waste Landfill

Location: County Road 268 (Screaming Eagle Road) approximately two (2) miles east of the intersection of County Road 268 and State Highway 12.

The South Carolina Department of Health and Environmental Control's (SCDHEC) Solid Waste Permitting Section has received a permit application from Richland Landfill Inc. for a tonnage increase from 655,000 tons per year to 851,500 tons per year.

SCDHEC requires a revised permit to be issued for the tonnage increase pursuant to S.C. Code Ann. Sections 44-96-10 et seq. (Supp. 2004) and 25A S.C. Code Reg. 61-107.258 Municipal Solid Waste Landfill Permit Criteria. The Solid Waste Permitting Section has completed the review of the permit application and found the application meets all technical requirements of Regulation 61-107.258, Municipal Solid Waste Landfills.

Who to contact? The draft permit is being public noticed in order to receive questions and comments concerning all aspects of the permit application. Copies of both the permit application and draft permit are available by appointment for public viewing during normal working hours at the following locations:

Bureau of Land and Waste Management
SC Department of Health and Environmental Control
8911 Farrow Road
Columbia, South Carolina 29203
Contact: John Schnabel, P.E., (803) 896-4216

Environmental Quality Control Office
SC Department of Health and Environmental Control
Region 3, Columbia Office - EQC
Bldg #5
State Park, South Carolina 29147
Contact: Al Peeples, (803) 896-0620

Any interested person(s) may submit written comments concerning the permit application and/or draft permit to Mr. John Schnabel. To be considered all comments or requests should be received no later than 5 p.m. on December 21, 2005, at which time the public comment period will end.
